

## **Shreerag Engineering Demo – New Points**

### **1. Logistics Dept-**

- Need to add from and to location field in logistics dept.

### **2. Store Dept-**

- Need to remove mandatory for rack in store dept.
- BOM Excel file size upload limit should be up to 5 MB in design dept.
- Need to Add a returnable chalan form and this form fields should be same like delivery chalan in store dept.

### **3. Production dept-**

- If add 50 trolley and 10 are completed. And remaining 40 should be shown as in pending and finance will make payment of only completed trolley.

### **4. Purchase dept-**

- Need to add following PO form fields:
  - PO- GST types->CGST+SGST, IGST
  - PO-> Add HSN code
  - PO- Final amount in words
  - In purchase dept, Suppose 50 kg PO order send to the vendor but received 25 kg order only, then how to track about remaining kg's material order?
  - Suppose PO is received on gate but how to purchase dept. will notify the material is in.
